Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.With this publication the author has added a third title to those written in 2012 but, unlike the previous two, *From Superfluous Man to Superman* and *Philosophic Flights of Poetic Fancy* , this project has not had any of its contents published in prior blog format, having been written on a fairly consistent basis during the last three months of 2012 with a view to the production of a literary journal that would not only be independent of the blogging medium but a kind of parallel, if on somewhat antithetical terms, to his first literary journal, *Limits* , back in 1976. Here, by contrast, there are few if any limitations, and even the journalistic form is stretched to incorporate, besides autobiographical and philosophical elements, a sort of intermittent travelogue featuring a number of towns in Co. Galway, the Republic of Ireland, that subsequently became the focal-point of much of the subject-matter of this exceptional book.
