

## The Total Tragedy of a Girl Named Hamlet

---

By Erin Dionne

Dial. Hardcover. Book Condition: New. Hardcover. 304 pages. Dimensions: 8.3in. x 5.7in. x 0.9in. Hamlet Kennedy just wants to be your average, happy, vanilla eighth grader. But with Shakespearean scholar parents who dress in Elizabethan regalia and generally go about in public as if it were the sixteenth century, that's not terribly easy. It gets worse when they decide that Hamlet's genius seven-year-old sister will attend middle school with her and even worse when the Shakespeare project is announced and her sister is named the new math tutor. By the time an in-class recitation reveals that our heroine is an extraordinary Shakespearean actress, Hamlet can no longer hide from the fact that she like her family is anything but average. In a novel every bit as funny as her debut, Erin Dionne has created another eighth grader whose situation is utterly unique but whose foibles and farces will resonate with every girl currently suffering through middle school. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
