

## Business Republic of China: Tales from the Front Line of China's New Revolution

By Jack Leblanc

Blacksmith Books. Paperback. Book Condition: new. BRAND NEW, Business Republic of China: Tales from the Front Line of China's New Revolution, Jack Leblanc, Jack Leblanc arrived in China in 1989 intending to teach Physics for just two years. He was to spend the next two decades on a very different learning curve as he became involved in a series of business ventures in almost every part of the Middle Kingdom. From farm to factory, boardroom to banquet, Leblanc witnessed (and occasionally assisted) the transformation of China from a socialist economy into the world's greatest experiment in capitalism. Over time it dawned upon him that the key to success is to manage the differences in Chinese and Western business behaviour. To do well in China you must carefully adapt your strategies - or face ruin faster than you can learn how to use chopsticks.
