MARSHALL** ebook.

AMACOM. Paperback. Book Condition: New. Paperback. 256 pages. Dimensions: 8.9in. x 5.9in. x 0.7in. Foreword by Fred Smith, President and CEO, Federal Express No list of the greatest people of the 20th century is complete without General George C. Marshall. Winston Churchill called him the organizer of victory and the last great American. President Harry Truman referred to him as the great one of the age. Tom Brokaw called him the godfather of the greatest generation. Even so, many people know Marshalls name without being able to recall his many astonishing accomplishments. Among them: He personally trained future generals Eisenhower, Bradley, Ridgeway, Patton, and others. As Chief of Staff of the U. S. Army before and during World War II, he oversaw its expansion from a small, homeland defense force -- smaller than Bulgaria's -- into the mightiest army ever assembled. As Secretary of State, he introduced the Marshall Plan, which literally rescued Europe after the war. He was the first professional soldier ever to win the Nobel Peace Prize and was twice named Times Man of the Year. Marshalls extraordinary career reflects unparalleled leadership traits and consummate skills, among them vision, candor, a commitment to action, the ability to listen and learn, and not least, selflessness. In an extraordinary chronicle and analysis of legendary leadership, Jack Uldrich brings the life and achievements of General Marshall front and center -- where they have always belonged. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
