Did you ever think that someone you trusted would change your life? High school had opened my eyes to a world of self-indulgent drinking and drug use. After graduation, working my way to nowhere, I got married, had children, and wanted desperately to lead a normal life. But I was living a lie. I had no idea what was happening to me. I felt like there were days I was losing my mind, but why? I wanted to be a good wife and mother, but my self-centeredness was shutting them out. It was my time all the time. That world became my life and my family was being left out. I was slowly slipping away, and my life's ship was sinking fast. Then I found someone that loved me just the way I was and always forgave me; someone I needed my whole life and finally He was here. He changed my heart and my way of thinking. So as you read through each page, you may see your life mirroring mine, and you just might find what you are looking for!.
