Brand New Book ***** Print on Demand *****.Excerpt from Data on Advertising Department Records Some fellow s formula for efficiency runs like this: First, pick a good man; second, give him a definite job; third, leave him alone. If my former general manager hadn t followed the last two-thirds of this formula to the letter, there wouldn t be any story. In fact, I am inclined to believe that the first part of the formula-about the good man-is superfluous. Almost anyone can learn to swim right off if he has to. Just take him young and throw him into deep enough water with nothing but instructions to kick and paddle. He ll swim all right. That s about all the help I got-a definite job and liberal language from the side lines. But I keep afloat. Herbert Casson told me once that system wasn t the only tiling to efficiency, not have a long shot. He said it was the easiest tiling in the world to standardize a practice that was all wrong. Efficiency picks out the right thing to do and then systematizes...
