This second adventure story finds Kenda in French Indochina. It is the summer of 1941. The Japanese Imperial Navy's 41st Sentai has been sent to Hainan Island to provide air superiority over the Tonkin Gulf. Kenda's reputation as an investigator has preceded him, and an Intelligence Officer needs his special talents. An illegal supply chain has been providing war goods to the Chinese Army. Materials secretly arrive in Hai Phong and find their way by truck or train to Yunnan, China where they are distributed and used against Japanese troops. The French are under German occupation back home. All the French colonies around the world now take their orders from the Vichy puppet government installed by the Germans. The French colonial government in Indochina must endure the presence of the Japanese who begin to commandeer all the country's natural resources for themselves. The local resistance is provided by the Viet Minh. Skilled in guerilla warfare, they have been fighting the French for years. Now, they find themselves with a common enemy. Both see the advantage in aiding the Chinese in their battle against the Japanese. Both sides attempt to prevent Kenda and his colleagues from stopping the supply network. A mysterious Catholic nun and a beautiful Viet businesswoman have something to do with the resistance. They know something; but what? How are they involved? Night clubs, French businesses, and government agencies all conduct suspicious clandestine activities. Dark underground passageways, a secret message system, and a vicious Army Intelligence Captain that uses murder as a weapon, all figure in the insane world that is Hai Phong, Indochina. In the center of...
