Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It's been designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.

Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you ever wanted to become your own boss? Have you ever wanted to do something positive in your spare time and be paid for your efforts? Multi Level Marketing is one of the fastest-growing career opportunities in the United States and the model has now found its way across the Ocean to the United Kingdom but what is Multi Level Marketing and how does it work? This book is not a follow the rules instruction manual, instead the author had taken a gloves off approach, finding what Multi Level Marketing (also known as Network Marketing) involves and what it means to a new business person. It describes what the model looks like when it is stripped down. It works through whether it is a hoax, a scam or a genuine opportunity. The book starts when the author wants to start a business but does not know what to do. Then when he was offered an opportunity, it initially sends him running scared. He believed that this thing called Network Marketing was an offer that was too good to be true. But he then had a rethink. He describes his thoughts, feelings and then his research process that he went through before he decided to get his hands dirty, finding out what Network Marketing is really all about. He decided he is going to find out what it is like on the inside and joins a local team. His experience over the time he ran his MLM business before writing this book gave him the honest warts an all look at the MLM model. He discovered a lot, mainly that he only got paid for his results, only...
