Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

The American Rice Products Co., 2417 North Peters St., New Orleans, manufacturers and distributors of Cream of Rice, has opened a display and demonstration room on the walk. There Rice and Cream of Rice are teaching the vacationists how they may enjoy life all the year round, instead of a few weeks in the summer. The American Rice Products Company believes in first educating people to to the value of Rice as a food before attempting to sell them Cream of Rice. Therefore, the merits of the cereal as a food are being stressed as well as the packaged food. The Associated Rice Millers of America have co-operated with the American Company by adding to their display an educational exhibit showing with pictures and samples the story of Rice from the field to the table. This exhibit has appeared on various occasions throughout the country, and has never failed to attract attention. Other pictures of Rice culture and milling are also proving interesting, and are helping to make the Board Walk not a bored walk for many. Superiority of American Rice Recognized--Some Dealers Sell Inferior Oriental Product As Rice From United States The superiority of American Rice is recognized throughout Europe, and dealers, realizing this, often practice deception by representing the inferior product of the Orient as one of the high-grade American varieties, which is, of course, detrimental to the best interests of the growers and millers...
