Simon Pulse, United States, 2015. Paperback. Book Condition: New. Reprint ed.. 208 x 138 mm. Language: English . Brand New Book. Fans of Sarah Dessen, Lauren Myracle, Morgan Matson, and Simone Elkeles will enjoy this story told from both Harper and Penn s points of view, widening the appeal to all teens, not just females (VOYA ). It starts with a scribbled note in class: I like your sparkle. Harper had casually threaded a piece of blue and silver tinsel through her ponytail in honor of school spirit day. And that carefree, corny gesture is what grabs Penn Mattingly s eye. Penn--resident heartbreaker of the senior class. Reliably unreliable. Trouble with a capital T. And okay, smolderingly sexy. Harper s surprised by Penn s attention--and so is Penn. The last thing he needs is a girlfriend. Or even a friend-with-benefits. The note is not supposed to lead to anything. Oh, but it does. They hang out. They have fun. They talk. They make out. And after a while, it seems like they just click. But Penn and Harper have very different ideas about what relationships look like, in no small part because of their very different family backgrounds. Of course they could talk about these differences--if Penn knew how to talk about his feelings. Harper and Penn understand their attraction is illogical, yet something keeps pulling them together. It s like a crazy roller coaster--exhilarating, terrifying, and amazing all at once. And neither knows how to stop the ride.
