Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Get comfortable and settle in for another eerie, spooky ride into the supernatural with T. M. Simmons latest: Ghost Hunting Diary Volume V. Parts of some tales will make you chuckle at the ghostly antics, and perhaps the reactions of the investigators. Others will have you glancing around to assure yourself there are no monsters in the room with you. Haunted Beckham Hotel Investigation recaps an overnight paranormal exploration Simmons Supernatural Researchers of Texas team was requested to do at a historical hotel in Mineola, Texas. SRT confirmed a high level of paranormal activity, so much there is an extra with this tale and more on the horizon. Be Careful What you Conjure Up, Escaping Halloween Arrest, and Meeting Billy the Cowboy are all diaries of less expansive but just as interesting paranormal experiences involving Simmons and her crew, along with others at times. They all lead up to Hell House of Horrors, another demon story, with its own extra. Although Simmons was far too experienced to allow herself to become involved with this evil entity, she tried to guide the relatives who were in harm s way . not to much avail. As always, she has included two learning articles: My Favorite Meditation and Recommended Reading and Study. She closes with an excerpt from her upcoming dark paranormal, Silent Prey. Sit a spell and read the tales with or without the lights on, depending on what you want your level of fright to be.
