Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Transition From Bewusstsein to Selbstbewusstsein in Hegel's Phenomenology of Mind, an Exegetical Essay: With an Introduction and With Notes Hegel is perhaps more than any other philosopher the product of the Speculation that preceded him, and it would thus seem possible to reproduce his argument in terms which are the common property of philosophy in general. The advantage of clearness which is thus attained is offset by the impossibility of an exact rendition. It is impossible to render the author in familiar terms without more or less perverting his meaning. Thus the commentators have in general been content to restate the argument in the original verbiage, with no great resulting advantage to clearness; nor is the reader helped if the author's style be imitated in a language other than the German. Hegel largely invented his own technical vocabulary. He was doubtless suspicious of the ambiguity of the terms in familiar use and aware of their inadequacy to express his meaning. When a new word is introduced it is usually defined,...
