State Performance at Grade 4 NAEP state results make it possible to examine the progress of public school students in each participating state over time. All 50 states, the District of Columbia, and Department of Defense schools participated in the 2009 reading assessment. These 52 states and jurisdictions are all referred to as states in the following summary of results. State results are also available for seven earlier assessments at grade 4. While all states participated in the assessments since 2003, not all participated or met the criteria for reporting in earlier assessment years. Scores increase since 2007 in three states and decrease in four states The map shown below highlights changes in states and Rhode Island ) and decreased in four states ( Alaska, average reading scores from 2007 to 2009 at grade 4 Iowa, New Mexico, and Wyoming ). In comparison to the ( gutv ). While there was...
