Spotting Fakers, Lies, and Illusions Using Elementary Theories about the Mind: Discover How to Give Your Lie Detector a Permanent Turbo Boost (Paperback)

By Miklos Zoltan

Clear Think Publishing, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Liar detection that works Spot liars by their actions. This requires that we learn to pay more attention to the actions of people instead of their words. It may take a bit longer than going by first impressions but trust me, it's worth the effort. When the time comes to choose a business or life partner, you'll thank yourself for every effort you made to be better at detecting lies, false information and liars. Not to mention when the time comes to pass that knowledge to your children. Surely you don't want to send them out into the jungle unprepared. That's it? Spot liars by their actions? Of course, it is easier said than done which is why I wrote a book on the subject. To support this method with detailed guides, practices, and even theories about the mind. It's not like you can't already tell lies. You can! As a matter of fact you already possess the tools to become a lie detection expert. All you need is more...

Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publish this publication.

-- Dr. Marvin Deckow

It is one of my personal favorite book. It is one of the most incredible ebook i have got go through. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).
