ANXIETY MANAGEMENT

2002. Hardcover. Book Condition: New. 360 Anxiety is viewed in this book from different angles-as a result of faulty social learning, determined by unconscious drives and conflicts, resulting from stressful life events, fermenting out of conflicting decision making situations, as a product of existential philosophy, as a resultant of the inconsistencies and contradictions within the self-concept of the person, as an outcome of the pathologies in the social concept, resulting from the high achievement expectations, as a result of reactivation...

Reviews

An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.
