## THE TEACHING OF MODERN FOREIGN LANGUAGES: IN SCHOOL AND UNIVERSITY (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Teaching of Modern Foreign Languages: In School and University The Modern Educator s Library has been designed to give considered expositions of the best theory and practice in English education of to-day. It is planned to cover the principal problems of educational theory in general, of curriculum and organisation, of some unexhausted aspects of the history of education, and of special branches of applied education. The Editor and his colleagues have had in view the needs of young teachers and of those training to be teachers, but since the school and the schoolmaster are not the sole factors in the educative process, it is hoped that educators in general (and which of us is not in some sense or other an educator?) as well as the professional schoolmaster may find in the series some help in understanding precept and practice in education of to-day and to-morrow. For we have borne in mind not only what is but what ought to be. To exhibit the educator s work as a vocation requiring the best possible preparation is the spirit in which these volumes have been written. No artificial uniformity has been sought or imposed, and while the Editor is responsible for the series in general, the responsibility for the opinions expressed in each volume rests solely with its author. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
