Whether you are a new couple, or have been married for 50 years, it can be difficult to maintain the level of fun and arousal in the bedroom that you would like. Too often, we approach sex as a serious matter, forgetting that it can be a wonderfully creative experience. We let the routine of our daily lives intrude upon the intimate time that we spend with our partner. If we aren't careful, sex can turn into a boring routine. Fortunately, there is no need to engage in SM or head to a swingers club so you can spice up your love life. By incorporating erotic role play into your sex lives, you can heighten and enhance your connection with your partner, whether physically, emotionally or mentally or all three! If you have ever tried erotic role playing yourself, you know it's hard to come up with interesting ideas, and even harder to get your partner to play along. This is where 131 Sex Games Erotic Role Plays for Couples can really help. The erotic role plays contained in this book will allow you to explore each other's fantasies, fetishes and desires. They have been placed in thematic sections, so you can go immediately to a particular section, or just browse each section as you get to it. So go ahead try them out. Allow yourself to be whoever you want. You will enrich your sex life and take your relationship with your partner to a whole new level.
