Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1905. Excerpt: . . . CHAPTER IV THE GREATEST RIVER IN EUROPE USSIA is essentially a land of rivers, and is XV covered with a network of great waterways, which have always played a most important part in the development and activity of the country and the people. Every land has one or more typical rivers intimately associated with its history, customs, and commerce; in England it is the Thames, in Germany the Rhine, the Tiber in Italy, in Austria-Hungary the Danube. In Russia the rivers mean far more than they do elsewhere, for they constitute the chief, often the only, ways of communication in summer-time, and a whole phase of Russian life is closely bound up with them. Of all the Russian rivers the Volga is the greatest; the Russian has a deep affection for this vast stream, and speaks of it in endearing terms as Matushka Volga, or Little Mother Volga. It is indeed a mighty river, 3, 458 versts in length (about 2, 200 miles), forming a basin three times as large as the whole area of France. Its greatest width in a general way is at Saratoff, where it is 2, 000 yards across in the dry season and nearly 5, 000 in the spring; but at Nijni Novgorod, where it is usually only 750 yards wide, it extends to 19, 000 yards during the spring floods, when it covers all the quarter of the town where the fair is held. For the greater part...
