*This pdf is fantastic. It typically is not going to price too much. You will not truly feel monotony at any time of your own time (that's what catalogs are for about if you request me).

Although there's nothing like a lap or bed quilt for comfort and utility, quilters have long relied on wall hangings for showcasing their work, for trying out challenging or unusual techniques, and for gifts. McCall's Quilting presents 14 such projects here, from such talented designers as Jan Carlson, Kathie Holland, Cindy Lammon, Renée Peterson, and Joyce Robinson. Intended to brighten dark corners and add warmth and color to halls and entryways, they employ a variety of fabrics, including Asian-themed motifs, modern bright prints, florals, batiks, and crisp black and white patterns. The book also includes appliquéd templates. 80.
