Completely essential go through book. I actually have gone through and I am sure that I am going to go through again yet again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.

You Can Be Found - Everyone Has Equal Opportunity - It's Not Rocket Science Are you ready to get found on Google, Facebook, Mobile Phones, and more? These are exciting times to be marketing and growing our businesses on the internet and we're going to show you how to win by Playing Google's Game! You can do it yourself, or use this book to arm yourself with enough information to find the best website designer for your business. The knowledge you gain here will allow you to join conversations and participate with the professionals that you hire to support your internet marketing strategy. My first book written in 2008, Get Top Ranking On Google., was born from notes to friends and colleagues-sharing simple tips and techniques that I had learned from the SEO School of Hard Knocks-while bootstrapping my patented products on a very tight budget. By tight budget - I mean free. Unfortunately I had spent all of my money setting up manufacturing and had nothing left for marketing. Big mistake! However, it taught me how to use these free internet platforms, like Google Search, to grow my business. Everything I talk about in this book is Free! While there are many new concepts in this book, all of the tips in my first book are still valid - even surviving all of the latest changes Google has made to their rules. In fact, if people would have followed the advice in my first book, they would not have been penalized by Google's latest updates. How is that possible? Because I don't chase the latest fads. I stick to the fundamentals. Google...
